Dear Dr. Lin Zhou,

On the behalf of the China Education Association for International Exchange (CEAIE), I would like to convey our deepest sympathies to your teachers and students, and the people over the COVID-19 outbreak. I would also like to affirm our strong support for your epidemic response in this difficult time and offer any assistance if needed.

I would like to share with you the latest Guidance for Corona Virus Disease 2019-Prevention, Control, Diagnosis and Management by People's Medical Publishing House and WHO Collaborating Centre for Health Information and Publishing (attached). Hope you find the Guidance useful to your family and coworkers.

Working hand in hand, China, the US and the rest of the international community will be able to tide over the adversity, defeat the virus at an early date, and protect the health and safety of the Chinese, Americans and other people around the world.

Sincerely yours,
