

# Student Learning Outcomes Plan

## Critical Thinking - Spring 2017

---

Page 1: Welcome

### Q1

First, please tell us a little about yourself so we can link your RESULTS to the PLAN you made last fall:

Your name:

**Rick huston**

The name of your program

**Welding**

Page 2: Student Learning Outcomes - RESULTS part 1 (R/U)

### Q2

Respondent skipped this question

Please record the number of students that demonstrated Critical Thinking at each of these three levels of Bloom's Taxonomy for the courses you identified in your SLO Plan (follow the link and click on the PDF for your program. Your answers are in the fine print):

### Q3

Respondent skipped this question

What did you do differently this year to bring about the improvement you saw in student learning on these objectives?

### Q4

Respondent skipped this question

What resources do you need to foster further improvements in student learning on these objectives?
