ACCESSIBILITY COMMITTEE MINUTES

Date: 3/14/2025
Time: 10:00am-11:00am
Facilitator: Colin Dory

In Attendance

Colin Dory, DeAnne Hamilton, Beth Reichenbach, Marjorie Rasmussen, Alisha McDonald, Teodoro Oreiro, Rafael Torres, Aubrie Swain

1.) Professional Development Training Sessions

There are a number of sessions planned for the upcoming Professional Development days for both PTE and Faculty.

- Wen will be providing presentations on Canvas 101, Microsoft Forms, and Power Automate Thursday afternoon.
- Colin will be giving a talk to all faculty in the morning session on Friday, as well as co-hosting drop-in labs with Wen in the afternoon.

2.) WACC Update

We are still waiting for the recorded sessions to be released in order to promote them across the college.

3.) Library Update

The library is in the middle of their quarterly wrap-up and has only a few things to report.

a. Mike will be giving an OER presentation on the PD day on Friday.
b. The library has recently added CloudSource OA, an OER resource, to their list of databases.

4.) DSS Update

Due to the cost of Cengage increasing, the college is looking to shift more focus on using OER materials in class to save costs to the students. As faculty members switch their materials, accessibility needs to be an important consideration.

5.) OLC Update

Wen will be taking leave for the beginning of the Spring quarter, so please direct all questions to Colin or the OLC email at this time.

6.) Good of the Order

a. The next meeting will be held Friday, April 11th.
