

This year, the Commencement celebration will be a drive-through celebration on June 7, at

South Campus
2201 S 78th Street, Tacoma

All participants must complete the [COVID Check-In and Check-Out surveys](#) on the day of the event.

Drive Through Celebration:

On June 7, participating graduates will **arrive at South Campus by 5:45 p.m. via the S 78th Street second entrance**, to stage and prepare for the **procession to start at 6 p.m.** Caps and gowns are *not required* to attend the drive-through procession.

During the procession you will be stopped to receive your graduate box and be greeted by President Lin Zhou and our Board of Trustees in front of building A. Veterans will have the option to receive their Challenge Coin and Veterans Cord after receiving their graduate box.

You'll have an opportunity to stop to get your picture taken, courtesy of GradImages, at the end of the procession behind Building B. Students are encouraged to pre-register for their photos at www.gradimages.com/registration.

Don't forget that to actually receive your diploma, you need to complete the [Credential Application](#) and email it to registration@batestech.edu.

Pedestrians: Students who will be walking through the procession are to line up in front of Building C as indicated on the map. You will be directed through the procession route first before the motor vehicle students proceed through.

Vehicles: Each graduate is restricted to **one** car. If your family will be driving with you, they should all fit into one vehicle. You're encouraged to safely decorate your vehicle, adhering to the student code of conduct. Staff will first direct pedestrians to go through the procession and then allow motor vehicles through the procession route.

See page 2 for a copy of the Procession Map
