All matters not specifically and expressly covered by the language of this agreement may be administered for its duration by the employer in accordance with such policies and procedures as it from time to time may determine.

**ARTICLE III  
GENERAL CONTRACT PROVISIONS**

**SECTION 4. GRIEVANCE PROCEDURE**

If an employee considers that this Agreement has been violated, the employee shall use the following procedure to resolve the grievance.

- 4.1 **Informal Step:** The grievant shall meet with the supervisor within twenty (20) regular working days following the date of the last occurrence to discuss the grievance.
- 4.2 **Step 1:** In the event the grievance is not satisfactorily resolved in the Informal Step, the grievant and the Union representative shall, within ten (10) regular working days following the date of failure to resolve it in the Informal Step, present the grievance in writing to the SA of Campus Public Safety with a copy to the SA of Human Resources.
  - 4.2.1 Within ten (10) regular working days following receipt of the grievance, the Supervisor shall submit a written answer to the Union with a copy to the grievant.
- 4.3 **Step II:** In the event the grievance is not satisfactorily resolved in Step I, the grievant and the Union representative shall within ten (10) regular working days following the date of failure to resolve in Step I, present the grievance in writing to the President or designee, with a copy to the SA of Human Resources.
  - 4.3.1 Within ten (10) regular working days following receipt of the grievance, the SA of Human Resources or designee, shall arrange a meeting(s) between both parties in an attempt to resolve the grievance. The College will respond, in writing, within five (5) regular working days of the date of the meeting.
  - 4.3.2 **Step III:** In the event the two parties cannot arrive at a satisfactory resolution to the grievance at Step II, the parties may mutually agree to submit the grievance to mediation. Either party must notify the other, in writing, within five (5) working days following the date of the Step II written response, of their desire for mediation. The respondent shall respond whether or not they agree to mediation no later than two (2) working days prior to the Union's deadline for submission to arbitration; or within five (5) working days of receipt of the written notification, whichever is sooner.
- 4.4 If the parties agree to mediation, then within five (5) working days of agreement, the parties shall jointly submit a request for mediation to the Public Employment Relations Commission, unless other arrangements are agreed to by the parties.
  - 4.4.1 Time lines contained in Section 4.5 for submission to arbitration shall be held in abeyance until termination of the mediation process. If no settlement is reached

in mediation, the Union may proceed with its request for binding arbitration as outlined in Section 4.5.

The parties will determine the arbitrator from this list by alternately striking a name from the list. The arbitrator's decision will be in writing and will set forth the finding of fact, reasoning and conclusions. The arbitrator will be without power or authority to make any decision which is outside this Agreement.
- 4.5.1 The decision of the arbitrator will be submitted to the College and the Union and will be final and binding upon the parties. The costs of the arbitration will be borne equally by the College and the Union. All other expenses shall be borne by the party incurring them and neither party shall be responsible for expenses of witnesses called by the other.
- 4.6 The time limits specified within this grievance procedure may be extended by mutual written agreement of the College and the Union.

## **SECTION 5. NEGOTIATIONS PROCEDURES**

- 5.1 This Agreement will be open for negotiations no earlier than ninety (90) days and no later than sixty (60) days prior to the termination date of this Agreement, except as otherwise provided herein.
- 5.2 The parties agree that it is advantageous to use the collaborative, interest-based bargaining process in reaching a mutually beneficial agreement. The parties further agree that subjects for bargaining will be shared at the first negotiations meeting. Neither party will attempt to introduce additional topics after that date, unless mutually agreed upon.
- 5.3 Negotiations shall be conducted at mutually agreeable times.
- 5.4 Every effort will be made to complete negotiations by June 30, except when extended by mutual consent of the parties.
- 5.5 The College will present a summary of all tentative agreements ratified by the Union at the next regularly scheduled Board of Trustees meeting, subject to the Board's requirements for timely distribution of written materials for consideration at meetings.

**SECTION 6. UNION SECURITY**

6.1 Employees wishing to authorize the withholding of Union dues must provide their authorization to the Union, which will provide it to the College. Upon receipt of an employee’s authorization, the College shall have deducted from the pay of such employee an amount equal to the dues required of a member of the Union as identified by the Union. The College will transmit such amounts to the Union’s offices each pay period, together with an indication of the pay period dates, the employee’s rate of pay and number of straight time hours. The Union will notify the College at least thirty (30) days in advance of any changes in its fees.

Employees may revoke their authorization for withholding of Union dues by providing written notice to the Union in accord with the terms of the authorization. The College will end dues deduction no later than the second payroll after receiving notice from the Union that an employee has revoked authorization.

The Union agrees to indemnify and hold the Employer harmless against any liability which may arise by reason of any action taken by the Employer to comply with the provisions of this Article, including reimbursement for any legal fees or expenses incurred in connection with such action. The Employer will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this Article. If requested by the Union in writing, the Employer will surrender any such claim, demand, suit or other form of liability to the Union for defense and resolution.

6.2 Upon receiving notice of failure to comply with the above provisions the Union and the College shall meet to review and decide on actions to be taken in regards to continued employment with the College.

**SECTION 7. PICKET CLAUSE**

7.1 It is agreed that a Campus Public Safety Officer may refuse to cross a picket line established at the College premises if such picket line is sanctioned by the Pierce County Central Labor Council unless crossing said picket line is necessary to maintain proper security of the College’s property.

**ARTICLE IV  
LABOR-MANAGEMENT**

**SECTION 8. Labor-Management Committee**

**8.1 Purpose**

A Labor-Management Committee (LMC) may be established. The purpose of the committee is to provide continuing communication between the parties and to promote constructive labor management relations. It is mutually recognized that both parties come to the table as equals and each party is representing their constituencies. The LMC will meet, discuss and exchange information of a group nature and general interest to both parties. The employee representatives shall be selected by the Union. The principles of Interest Based Problem Solving will be used

to the fullest extent possible during committee meetings. Procedures and ground rules will be mutually agreed upon by the LMC.

The College shall allow thirty (30) minutes each quarter for the union and PSO Campus Public Safety Officers to prepare for the quarterly Labor/Management Committee meeting.

**8.2 Scope of Authority**

The LMC shall have no authority to conduct any negotiations, bargain collectively or modify any provision of this Agreement. Nothing in this Article or any LMC activity shall be subject to the grievance procedure.

**ARTICLE V  
WAGES, HOURS AND BENEFITS**

**SECTION 9. WAGES**

9.1 The agreed upon wages are appended, and by this reference fully incorporated into Appendix A.

The administration and union agree to convene a workgroup in January of 2023 to assess the current construction of the salary schedule as listed in Appendix A. The goal of the workgroup is to update the salary schedule to reflect variations in published pay ranges that reflect deliberate and understandable employment policy choices and to keep it as condensed as possible. Potential factors to be evaluated when considering variations in the schedule are, but not limited to: Assessing the need for flexibility in the initial placement of new recruits which properly reflects their knowledge, skills and accomplishments, and; Recognizable pathways by which employees in the bargaining who can demonstrably improve their KSAs would be able to affect movement within the salary schedule. Nothing in the identification of the workgroup, its timing, the identification of goals, or topics for consideration are to be considered agreements to future changes to an employee's placement on the salary schedule.

9.2 Professional development increments and stipends associated with each schedule in Appendix A can be earned for each forty (40) hours of approved professional development activities completed in accordance with Section 13.15 of this agreement.

9.3 Years of service annual salary step increase from the salary schedule in Appendix A shall be earned on each individual employee anniversary date. Professional development increments and stipends earned shall be effective on July 1 of the following year unless the State specifically prohibits such payment or freezes wages.

**9.6 Hours of Work**

9.6.1 The work week shall be Monday through Sunday. Hours worked beyond forty (40) per week shall be compensated at time-and-one-half the regular rate of pay. Hours worked beyond forty-eight (48) shall be paid at two (2) times the regular rate. Full

time employees may be assigned a shift of eight (8) hours or more per day. Hours worked beyond the employee's assigned daily shift during a work week of less than forty (40) hours (i.e. a week including leave, holiday or College authorized non-work day) shall be compensated at time and one half the regular rate of pay. Work on the sixth consecutive day, or equivalent for non-traditional shifts, shall be paid at time-and-one-half the regular rate and work on the seventh day, or equivalent for non-traditional shifts, shall be paid at two (2) times the regular rate. In order to maintain coverage for unanticipated needs of the College, Campus Public Safety Officers may be asked to voluntarily adjust their shifts temporarily. Coverage needs will be offered on a rotational basis.

- 9.6.2 When the College is closed by declaration of the President/designee for no more than two (2) consecutive days, employees may be placed on home assignment unless directed otherwise. If the College is closed for more than two (2) consecutive days, after the second day employees shall use appropriate leave time or rescheduled work hours (at regular pay) when coordinated with and approved by the immediate supervisor.

Campus Public Safety Officers are considered essential personnel. Essential personnel may be required during campus emergencies, including those that dictate suspension of services and/or closure of operations. During an emergency, Essential Personnel provide services that relate directly to the health, safety, welfare and protect College properties.

Dismissal of classes and/or cancellation of events do not necessarily mean that the campus operations shut down completely and essential staff may be needed to continue to work.

Ultimately, the nature of the emergency will determine what services should continue and who is essential to the continued operation of the campus. During an inclement weather emergency, no employee will be required to perform job duties outside of their classification, such as removing snow from walkways or apply de-icing products.

All Campus Public Safety Officers required to report to work during an emergency caused by inclement weather will be paid at time-and-one-half the regular hourly rate for all hours worked on that day.

If essential personnel cannot work when required, they would need to notify their supervisor and they would need to take appropriate leave.

- 9.7 Employees required to return to duty after leaving the work site will receive a minimum of three (3) hours pay for callback at time and one-half the regular hourly rate.

- 9.8 When an employee is subpoenaed to a court appearance that results from a job related incident, the employee shall be paid for the appropriate hours in

accordance with the contract. The hours spent in court will be determined from the time required on the subpoena request until the employee has completed their testimony.

- 9.9 The immediate supervisor must approve overtime hours. Authorized overtime shall be compensated at the applicable overtime rate of time and one-half in either pay or, at the request of the employee, compensatory time, but compensatory time may not be imposed by the College in lieu of overtime pay upon any employee who has not requested it.

The employee may choose the type of compensation. Compensatory time must be used prior to using vacation or personal leave. If compensatory time balance is not used by the employee by June 30, it will be paid by the College the following available pay period.

- 9.10. Overtime shall be offered, by rotational seniority. Assignments shall continue to be offered to the next most senior employee following the employee who most recently accepted an assignment, down the seniority list, until the next assignment is accepted. This continues for each following assignment. Overtime assignments with less than a two (2) hour notice, the SA/designee will send a text to all available Campus Public Safety Officers who should respond within fifteen (15) minutes. If more than one (1) Campus Public Safety Officer responds, the next most senior Campus Public Safety Officer on the rotation list will be awarded the overtime. If no Campus Public Safety Office responds within fifteen (15) minutes, the first officer to respond will be offered the assignment.
- 9.11 Wages shall increase in an amount equal to the legislative appropriation for all employees in addition to earned increments for each year of this agreement, unless the state or legislation specifically prohibits salary increases.
- 9.12 An employee regularly assigned to a swing shift will be paid an hourly premium in the amount of eighty-five cents (\$.85) per hour for all hours of the assigned swing shift. The premium will include holidays and vacation days. The normal swing shift hours will be between 3:00 pm and 6:00 am. An employee shift will be considered a swing shift when more than five (5) hours of the assigned shift fall between the hours previously noted. The swing shift premium does not apply to hours worked from an assigned day shift which may overlap the swing shift hours as defined previously. The swing shift premium is not adjusted for overtime. Swing shift employees temporarily assigned to a day shift shall not lose the premium pay. Day shift employees temporarily reassigned to a swing shift will receive the swing shift premium pay. Employee initiated temporary shift swaps must be approved by the supervisor and shall not affect either employees' pay status. Swing shift employees that voluntarily request a temporary reassignment to a day shift shall not retain their swing shift premium pay. Substitutes are not eligible for the swing shift premium. Substitutes filling in for a regular swing shift position for more than thirty (30) consecutive calendar days will be eligible for the premium hourly rate.

### **9.13 Campus Public Safety Sergeant**

While on call, the sergeant/designee will receive two dollars (\$2.00) per hour for on call pay. Should it be necessary for the sergeant/designee to take phone calls off duty, if the total time of all phone calls is thirty (30) minutes or more between shifts, the sergeant/designee will receive a minimum of three (3) hours callback pay at a minimum rate of 1.5 times the regular hourly rate of pay. If callback occurs while on call on a calendar holiday, the sergeant or designee will receive callback pay at 1.5 times the hourly rate of pay up to eight (8) hours and 2.5 times the hourly rate of pay for hours worked in excess of eight (8) hours. If callback occurs while on call on a legal holiday, the sergeant or designee will receive callback pay at 2.5 times the hourly rate of pay.

## **SECTION 10. HOLIDAYS**

10.1 Employees shall be granted the following thirteen (13) paid holidays and College-authorized non-work days which may be viewed on the College calendar:

Labor Day  
Veteran's Day  
Thanksgiving Day  
Day after Thanksgiving  
Christmas Eve Day  
Christmas Day  
New Year's Eve Day  
New Year's Day  
Martin Luther King Jr., Day  
President's Day  
Memorial Day  
Juneteenth  
Independence Day

10.2 Full-time employees will be compensated for eight (8) hours pay for each calendar holiday. Employees will also be paid time-and-one-half for the first eight hours of work and double time-and-one-half for all hours worked in excess of eight hours for hours worked on the calendar holiday. If an employee is required to work on any legal paid holiday, the employee shall receive holiday pay and premium pay at the overtime rate for all hours worked on the holiday totaling double time and one half.

10.3 If a holiday falls on a Saturday, then Friday will be a paid day off. If a holiday falls on a Sunday, then Monday will be a paid day off. When a two (2) day holiday falls on a Saturday and/or a Sunday, the College will schedule days off with pay for the holiday(s) that fall on the weekend.

## **SECTION 11. VACATIONS**

11.1 Any regular full-time employees hired after July 1, 2014 shall earn vacation as follows:

Beginning with the 1st year	12 days
Beginning with the 2nd year	13 days

Any regular full-time employees who were employed prior to July 1, 2014 shall have 22 days of paid vacation and in the 12th year of employment shall earn 24 days of vacation.

A prorated vacation will be allowed to full-time employees with less than twelve (12) months service.

- 11.2 Prorated vacations will be allowed for all employees who resign.
- 11.3 Days worked and days paid for by reasons of sick leave benefits shall be counted in computing prorated vacations.
- 11.4 The earning period for vacation shall start on the first day of July and end on the last day of June
- 11.5 Employees will be given preference by overall seniority in selecting their vacation so long as the request is received in writing thirty (30) calendar days prior to the start of vacation. Prior approved leave shall not be subject to this clause.
- 11.6 Vacations may be split at the discretion of the employee as long as the request is consistent with all stipulations as stated in this section.
- 11.7 Full-time employees of the College are allowed to defer up to ten (10) days of vacation per fiscal year to a maximum of thirty (30) days.
- 11.8 Full-time employees may take up to thirty (30) consecutive vacation days when approved by the SA.

**SECTION 12. HEALTH INSURANCE BENEFITS**

- 12.1 Health insurance benefits shall be offered to the employees through the Public Employees Benefits Board (PEBB) and other state designated agencies. Procedures, guidelines and eligibility criteria are available through Human Resources.

**ARTICLE VI**  
**GENERAL CONDITIONS**

**SECTION 13. PROGRAM PROCEDURES**

13.1 The College shall determine the appropriate uniform(s) and equipment, which shall be outlined in the Department's Standard Operating Procedure (SOP). Designated uniforms and equipment shall be provided and maintained by the College. Upon ratification of the Contract, a footwear allowance up to \$200 will be reimbursed to bargaining unit members each fiscal year upon submitted receipt of expenditure. Original receipts documenting qualifying footwear purchases must be dated within the academic year for which the reimbursement is being sought (i.e., between July 1 and June 30) and must be submitted prior to June 30. The annual footwear allowance is not cumulative. Unclaimed allowances will not roll over to the next fiscal year. New employees shall be eligible for reimbursement after the end of the probation period.

13.1.2 Body armor shall be provided by the College, in accordance with Appendix C.

13.2 Campus Public Safety Officers authorized to carry a weapon shall qualify with their authorized weapon as directed by the supervisor. The College will pay for appropriate costs of qualification and ammunition. Current copies of weapons qualification documents shall be provided to the supervisor, and shall be filed in the employee's personnel file.

**13.3 Drug and Alcohol Testing Process**

Employees shall not consume any alcoholic beverages or marijuana for a period of at least ten (10) hours before duty or while on call. Drinking on the job or evidence of intoxication while working will be deemed grounds for progressive discipline up to and including termination upon conclusion of investigation. The College will abide by all state standards of "under the influence" for the purposes of this article. All other conditions of substance use will be the under the direction of College policy.

If the College determines that it has reasonable suspicion that an employee may be under the influence of drugs or alcohol in violation of the College's policies, the College may direct that employee to immediately accompany an SA to an appropriate facility for testing. If the employee at issue is a public safety officer, the SA will accompany and transport the employee to the appropriate facility for testing.

Reasonable suspicion includes, but is not limited to, 1) objective evidence that the employee's actions, conduct or appearance is indicative of being under the influence of drugs and/or alcohol or 2) the employee is in possession of drugs and/or alcohol or drug paraphernalia while on duty or on College property. If the basis of reasonable suspicion is that he employee's actions, conduct, or appearance is indicative of the employee being under the influence of drugs and/or alcohol, the

employee's actions, conduct or appearance must be observed by two (2) College personnel before any testing action is taken.

The union representative will be given a courtesy call that the College will be requiring a drug or alcohol test of an employee. If an employee wishes to have a union representative present at the testing facility or during transport to the testing facility, it is incumbent on the employee to secure the presence of the union representative present. However, seeking the presence of the union representative shall in no way delay the testing process once the directive to be tested has been given.

All testing will be performed by a certified laboratory determined by the College. Testing will be performed by trained technicians.

The employee will be compensated at their appropriate hourly rate for the time devoted to the travel to and from the testing facility and the test procedure. Following the test and prior to any disciplinary or other administrative action being taken, the employee will be advised in writing of the nature of the allegations.

All positive tests will be subjected to a second confirmation test to ensure the validity of the initial test results.

The results of the drug and/or alcohol testing will be weighed by the College in determining if any employee misconduct has occurred, and if so, the appropriate discipline. An employee who refuses to consent immediately upon request to a test for the presence of drugs and/or alcohol or to otherwise fully cooperate in the test or an investigation for such, will be considered insubordinate and subject to such discipline as may be appropriate under the circumstances, which may include suspension without pay with the intent to discharge following the investigation. All due process required by the collective bargaining agreement and general legal principles will also be applied.

An employee shall notify the SA of Human Resources within five days of: 1) any conviction of any criminal drug related conviction; and/or 2) if that employee operates any vehicles or motorized equipment in the performance of their duties, any drug or alcohol related criminal conviction or any suspension or revocation of the employee's driver's license for a drug or alcohol related offense.

- 13.4 Each fiscal year, the College shall establish shift assignments, not including location, to be effective prior to the start of fall quarter. During the course of the year, the College may make other or additional shift assignment changes to the hours and locations of established and/or assigned shifts. When employees are assigned to training, retreats and conferences, etc., regardless of location, which encompasses the majority of the employee's shift, those nontraditional assignments shall be counted as the employee's full daily shift.

The College shall notify the union and Campus Public Safety Officers fourteen (14) calendar or ten (10) working days prior to the effective date of shift changes unless unanticipated operational circumstances preclude such notification. In any case, shift changes shall not be arbitrary and capricious.

Notification of shift bid will include the date and time that the bid will take place, which will be at least fourteen (14) calendar days from notification. Employees must be present to secure their shift or leave a proxy with their supervisor.

- 13.5 The employees shall maintain a neat and clean appearance at all times while on duty.
- 13.6 New employees shall be provided a training program as determined by the SA within their probationary period (six (6) months). Campus Public Safety Officers assigned to assist in the training will be paid an additional stipend of \$25 per day for each day assigned to a new employee. Campus Public Safety Officers will provide the SA a written summary of the activity prior to receiving payment.
- 13.7 The first criteria considered in assigning a public safety officer to an open shift shall be seniority, except when such assignment would impede a new employee's training during the employee's first year. In the event the most senior public safety officer is not to be selected, the College shall provide written notification to the union and the employee, outlining the reasons, which shall not be arbitrary and capricious.
- 13.8 Within the probationary period a new employee's shift shall be assigned as outlined in the SOP.
- 13.9 The College may hire additional temporary staff or utilize a security services firm to substitute for and supplement the work of Campus Public Safety Officers. Additional staff or services would be utilized to provide coverage for campus safety Campus Public Safety Officers absent due to vacation, illness or injury, training, other extended leaves (e.g. bereavement, jury duty), or to provide additional coverage due to emergency or other immediate College need.
- 13.10 The College will not supplant employees with temporary employees or subcontractors. The College may use 1,000 hours of contracted security services in a twelve (12) month period. Hours used during recruitment of open positions or substituting for an employee due to reasons in the preceding paragraph will not count against the 1,000-hour limitation. Campus Public Safety Officers shall be provided a minimum of ten (10) non-working hours between shift assignments unless mutually agreed upon by the employee and supervisor.
- 13.11 Regular or other earnings (overtime and vacation) and total earnings will be available to employees.

- 13.12 It is agreed that security work will be performed only by the Campus Public Safety Officers unless other measures must be taken in case of emergency.
- 13.13 All employees are allowed a meal period inclusive of the assigned work hours. The meal period shall be at least thirty (30) minutes, and commence no less than two (2) hours nor more than five (5) hours from the beginning of the shift. In the event a public safety officer is off site during the meal period the public safety officer must immediately respond to all calls.

When two or more employees are assigned to the same or overlapping shifts, their lunch period may be staggered in order to provide continuity of services. All employees are entitled to a rest period of fifteen (15) minutes, on the employer's time, for each four (4) hours of work.

- 13.14 Campus Public Safety Officers will perform security functions under the direction of the SA.

### **13.15 Professional Development**

- 13.15.1 The College and the Union agree to participate in the Western Washington Stationary Engineers Training Trust to provide professional development opportunities. The College will contribute the amount outlined in the Trust Agreement, see Appendix D.
- 13.15.2 Completion of professional development, training courses and activities to maintain current knowledge of job related functions and procedures is considered an essential part of Campus Public Safety Officers' responsibilities. With supervisory approval and availability of coverage, Campus Public Safety Officers will be allowed release time to complete such courses and/or activities.
- 13.15.3 Upon completion of probationary period, new employees completing hours in College approved professional development and training activities will apply towards professional development stipends per Schedule 21 of Appendix A, if supported with appropriate documentation. The College will maintain employee training records.
- 13.15.4 The College may require all Campus Public Safety Officers to attend mandatory training/meetings. The College will make reasonable provisions to allow Campus Public Safety Officers to attend such required training, including timely notice, access during paid time, and release time if needed. The College will determine any mandatory training and will pay for training and time spent in such efforts. Any changes to required training will be discussed through the Labor Management process.

Internal candidates will be screened and interviewed first. If there are no qualified internal candidates, external candidates will be considered.

Every attempt will be made to include a Campus Public Safety Officer bargaining unit member on the screening committee for Campus Public Safety Officer position openings.

All positions shall be advertised not later than thirty (30) days from date of vacancy unless other arrangements have been made in advance with the Union.

14.3.3 Continued employment is conditional upon the successful completion of a psychological evaluation, see Appendix E.

14.3.4 During the new employee probationary period, monthly conferences will be conducted with the employees to review work performance. Any deficiencies in work performance and corrective action plan will be provided to the employee in writing. The employee will have an opportunity to rectify the documented deficiencies.

14.3.5 A formal evaluation and conference will be given to the employee at least two (2) weeks prior to the end of the probation period.

14.3.6 An employee who continues to have documented deficiencies at the end of the six (6) month probationary period may, at the discretion of the College, be placed on an extended probationary period not to exceed an additional three (3) months. A conference and evaluation shall be held forty-five (45) days after the date of extension. The Union will be notified of the extended probationary period.

- 14.3.7 A recommendation for an extended probationary period will be made in writing by the SA in charge of the Campus Public Safety department to the SA of Human Resources.
- 14.3.8 If an employee fails to satisfactorily correct deficiencies and is being recommended for termination, the employee will be notified in writing prior to the recommendation being sent to the President.
- 14.3.9 A probationary employee will not be terminated for arbitrary or capricious reasons.

#### **14.4 Evaluation**

- 14.4.1 The College and the Union agree that the primary purpose of evaluation is to maintain a high level of performance as determined by the College.
- 14.4.2 Performance evaluation deficiencies shall be documented and include continuous communication feedback throughout the year. The supervisor shall schedule a pre-evaluation meeting no less than 30 days prior to the formal evaluation process, see Appendix F.
- 14.4.3 The College will evaluate employees at least once annually by June 30 or when appropriate.

#### **14.5 Seniority**

- 14.5.1 Seniority according to this Agreement shall consist of the continuous service of the employee with the College as a Campus Public Safety Officer. No employee shall have seniority established prior to completing one (1) year of continuous employment with the College. The employee's earned seniority shall not be lost because of absence due to illness, authorized leave of absence or temporary layoff. The seniority list shall be brought up to date each year on July 1.

#### **14.6 Layoff and Recall Procedure**

- 14.6.1 When the College eliminates a Campus Public Safety Officer position, the College will lay off by seniority starting with the least senior Campus Public Safety Officer. The College will lay off part-time employees assigned to a Campus Public Safety Officer position prior to laying off any full-time employee assigned to a Campus Public Safety Officer position.
- 14.6.2 Full-time employees who are laid off will be placed on a full-time layoff list for fifteen (15) months from the date of layoff. The College will give persons on the full-time seniority list preference by seniority for rehire to a security position; if rehired to a full-time security position within fifteen (15) months, said employee's previous hire-in date will establish the employee's seniority.

- 14.6.3 A person on the layoff list must notify the Human Resources Office of any change in address or telephone number. A person who fails to notify the Human Resources office of a change will lose all recall rights.
- 14.6.4 A person on the full-time layoff list who rejects an offer of full-time employment will be dropped from the layoff list and thereby lose all recall rights.
- 14.6.5 The College will notify an employee at least thirty (30) days prior to the effective date of the layoff.

#### **14.7 Personnel Files**

- 14.7.1 An employee may review the material in their personnel file(s) once per year or when new documents are added to the file, during regular business hours by making prior arrangements with the SA of Human Resources. Said employee may have a Union business agent accompany them, if desired.

- 14.7.3 The College will provide a copy of any critical or commendatory written material to the employee at the time of its inclusion in the personnel file. Materials judged by the employee to be negative and/or derogatory may be answered by the employee in writing. Such response shall be attached to the material in question and become a part of the personnel file.

### **SECTION 15. DISCIPLINE**

- 15.1 Discipline will be for cause. As such, an employee will not be disciplined for an arbitrary or capricious reason. The extent of any disciplinary action will be in keeping with the seriousness of the infraction. A process of progressive discipline will be used. Progressive discipline includes oral warning, written reprimand, suspension or termination as appropriate to the infraction. The employee will receive a copy of any written reprimand.
- 15.2 The College will notify an employee prior to a meeting set up for possible disciplinary action so that the employee has an opportunity to obtain Union representation. If representation is not available, the meeting will be rescheduled to a mutually agreeable time, but not later than the five (5) working days.
- 15.3 When an employee is dismissed or suspended for disciplinary action, a written notice will be given to the employee with a copy to the Union.

**16.3 Private Vehicle for College Purposes**

The Employer will not require an employee to use their personal vehicle for College purposes, unless required as an essential function identified in the employee’s job description.

It is the personal responsibility of an employee who uses their personal vehicle in the performance of duties to carry public liability insurance for bodily injury and property damage. This will be utilized prior to the State’s possible provision of any excess liability protection.

Claim for reimbursement under [RCW 4.92.130](#) must be made to the Washington State Torts Division.

**SECTION 17. PAYDAY**

17.1 Employees will generally be paid on the 10<sup>th</sup> and 25<sup>th</sup> of each month or as determined by OFM.

Sick leave may be used for absences caused by illnesses, injury, disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery there from.

18.1.2 In addition, sick leave shall apply to emergencies.

18.1.3 The following conditions apply to emergencies:

- a. The problem has been suddenly precipitated.
- b. Preplanning is not possible
- c. Preplanning cannot relieve the necessity for the employee’s absence.
- d. The problem is of a serious nature.
- e. Auto trouble shall not be considered an emergency except in case of an accident.

- 18.1.4 Employees who work only part of the fiscal year shall be prorated. The unused portion of such allowance shall accumulate from year to year in accordance with current state law.
- 18.1.5 Part-time employees will receive sick leave in accordance with State, City, or CBA whichever offers the greater benefit to the Campus Public Safety Officer.
- 18.1.6 In the event a Campus Public Safety Officer becomes ill and will be unable to report to work said employee will notify the immediate supervisor as soon as possible.

## **18.2 Notification Procedure and Statement of Cause and Absence**

- 18.2.1 An employee must notify the SA immediately whenever said employee will not report to work for any reason.

- 18.4.2 For absences extending beyond three (3) calendar days, employees may request available leave to make up the difference between their workers' compensation benefit and their regular monthly salary. This prevents an employee from experiencing the loss of funds normally expected during an absence from work due to a job injury. An employee may request in writing at any time to discontinue using leave for this purpose. Once this

request is implemented, the decision cannot be changed. Leave used cannot be “bought back.”

- 18.4.3 While on industrial insurance, sick leave, holiday and vacation benefits will continue to accrue to the employee in the same manner as if the injury had not occurred for a period of twelve (12) calendar months. The College’s obligation to an employee for accrual of these fringes terminates at the end of twelve (12) calendar months.
- 18.4.4 The College will continue to pay its share of the employee’s health insurance subsidy only each month during the first twelve (12) months provided that the employee furnishes their share to the business office each month by check made payable to the health insurance plan carrier.
- 18.4.5 At the end of one (1) calendar year from the date of the injury, the following applies:
- a. An employee who is not authorized to report back to work may request a leave of absence in writing. The leave request is subject to SA approval at their discretion.
  - b. Said employee will be paid for all unused vacation pay earned.
  - c. If said employee returns to active employment status with the College, their sick leave balance will be reinstated in accordance with College policy.
  - d. Group medical insurance benefits terminate; each employee must arrange for their own medical insurance coverage if desired.

**18.4.6 Supplemental Condition**

The College, at its discretion, may establish a light duty position for any College employee who is on workers’ compensation. The light duty position is not subject to posting, bidding, etc. Any College employee so assigned will not replace any current Campus Public Safety Officer.

- 18.5.3 Requests for extensions or exceptions to bereavement leave provisions may be granted in extraordinary circumstances by the SA of Human Resources.
- 18.5.4 Bereavement leave is noncumulative.

## **18.6 Shared Leave**

Shared Leave will be offered consistent with state law [RCW 41.04.660-680](#). The appropriate forms may be requested from Human Resources.

## **18.7 Family Illness Leave**

18.7.1 Employees shall be granted a leave of absence with pay of not more than three (3) days each fiscal year, when such absence is occasioned by the illness of any relative residing in the household of the employee and/or the following family members which necessitates the presence of the employee: grandparents, spouse, mother, father, daughter, son or siblings. The employee will certify to the circumstances of the illness upon return to work. Such leave is non-accumulative and is not to be taken from sick leave.

Before leave is approved, a replacement employee, if required, must be available; provided, however, these limitations do not apply when extraordinary leave is used for family illness.

18.8.3 Leave may not be used during the first or last five (5) days of the student school year.

## **18.9 Military Leave for Reservists and Members of the National Guard**

Military Leave will be offered consistent with state law [RCW 38.40.060](#).

### **19.3 Political Leave**

19.3.1 Upon request, employees may be granted political leave in accordance with the following provisions:

- a. With three (3) weeks' notice, an employee may be granted up to four (4) weeks of continuous leave without pay for the purpose of campaigning for employee's own election. If the employee is not elected to the political office, the employee shall return to the same position held prior to the leave.
- b. If the employee is elected to the office, the President/designee may return the employee to the same or mutually agreed upon position until such time that employee's elected term of office necessitates leaving assignment. Any employee may hold a political office and continue as an employee as long as it does not interfere with this assignment.
- c. The President/designee may extend to the employee who is elected to a political office a leave of absence without pay up to one (1) year.

19.3.2 At the conclusion of political leave, the employee will be given the same consideration for returning to position of last assignment. It will be assumed that the employee wishes to return to the position of last assignment unless employee notifies the President in writing, by March 18, prior to the expiration of the leave. If reassignment is necessary, a conference will be held to endeavor to find an assignment that is mutually agreeable. Political leaves may be granted for one (1) year or a fraction of a year. Upon return from this type of leave, the employee may be returned to the same position. If political leave is extended beyond one (1) year, the person's right to return to original position cannot be guaranteed.

Upon completion of the leave period, the employee will be returned to the position of last assignment. In the event the position was reduced or
