

## Scholarship Application Information

### To get started

- From the Bates Technical College website go to the Foundation page or type in <https://www.batestech.edu/foundation/scholarships/>
- Click on Scholarships on the drop down menu on the right
- Click on the **Apply Now** button which brings you to the application website, AwardSpring or type in <https://batesfoundation.awardspring.com/>
- Create a login and password and begin!

### If you need help

- Click on the [Navigating AwardSpring: A Guide for Applicants](#) link on the Foundation scholarship page on the website. The document will provide you with technology tips.
- The [Scholarship Opportunities](#) document lists the names of the scholarships and eligibility criteria.
- To get your [Unofficial Transcript](#) from the Bates website follow these easy directions:
  1. Bates Website
  2. Go to MyBates
  3. Go to Quick Links Box
  4. Click on view links
  5. Click Unofficial Transcript
  6. Login
  7. Follow the instructions on the Unofficial Transcript page and upload your transcript
- **\*\*\*First quarter students\*\*\*** You will not have a Bates unofficial transcript, so please type that on a Word document and upload it in place of the transcript.
- Scholarship Workshops will be in person or virtual and will be announced each quarter.

### Financial Aid Information

All scholarship recipients, even those who do not receive financial aid, need to complete the [FAFSA \(Free Application for Federal Student Aid\)](#) or [WASFA](#), to be eligible to receive their scholarship award. If you need assistance to complete the online application, please contact the Financial Aid Office at [financialaid@batestech.edu](mailto:financialaid@batestech.edu).
