

**Bates Technical College Strategic Plan 2019-2022**

<b>GOAL 1: Workforce Education</b>
We are committed to providing high quality training that helps students realize their potential for growth and success through innovative instruction
Curriculum is current and in compliance with state and industry requirements
Students are provided with opportunities to develop workplace behaviors for professional success
Students are provided with opportunities to develop culturally appropriate workplace behaviors for professional success
<b>GOAL 2: Student Centered</b>
Bates supports students, enabling them to succeed, to aspire to education, to reach their educational goals and transition successfully to further education or employment.
Identify and implement new or enhanced strategies to retain a diverse student population.
Decrease the equity gaps between students based on specific, identified groups.
Enhance the processes that increase enrollment of prospective students.
Identify and intervene with students who are not making satisfactory progress towards their educational goals.
<b>GOAL 3: General Education</b>
Bates recognizes that the skills and knowledge attained through general and related education are essential to success and ensuring well-rounded learners.
Students complete their college level Math in first year.
Students complete their college level English in first year.
<b>GOAL 4: Community Relationships</b>
Strong local and global partnerships with business, industry, labor and the public make the college a respected, effective community resource, contributing to local community vitality.
Partnerships enhance instructional programs.
Partnerships have a direct, positive and visible impact to our college and local community.
