How to Apply for the Boiler Certification Exam

Please follow these directions when applying for the boiler certification exam.

1. Read the contents of this packet.
2. Fill out the application form and return it with any paperwork showing you qualify for the certification level that you are applying for.
3. Submit your application on or before the cutoff date (refer to the “Boiler Examination Dates” sheet in this packet) and pay the application/certification and examination fees.
 - The application/certification fee is \$60* and prorates quarterly.
 - The examination fee is \$50.
 - This fee is paid every time the exam has to be retaken.
 - It is only charged when a current boiler operator is testing for a higher level of certification.
 - Applicants who are receiving funding through Bates Technical College must turn in an original signed voucher with their application.
4. The Chief Boiler Certification Examiner will only contact you if there are any questions about your eligibility to take the exam.
5. Bring your receipt, driver’s license, and a pencil to the examination.
6. Inform us at least 24 hours prior to the exam if you need to postpone or cancel your test date.

Please contact the Administrative Assistant for Boiler Certification at 253-680-7402 if there are any questions.

* - All boiler operator certificates expire on August 1. The application/certification fee prorates quarterly. Pay \$60 from June 1 through October 31. Pay \$45 from November 1 Through January 31. Pay \$30 from February 1 through April 30. Pay \$15 from May 1 through June 30.
