MULTI-OCCUPATIONAL TRADES (MOT)

Addendum 2024-25 Catalog. Change in AAS Degree requirements for MOT

Description:

This program is designed to serve individuals completing approved Multi-Occupational Trades (MOT) programs at Bates Technical College. The degree option includes both general education requirements and the technical requirements of an MOT program. Content includes state approved joint MOT programs plus four general education courses (~~20~~ 15 credits) in human relations/social sciences, communications, and mathematics. Successful completion of this degree may provide students/apprentices with skills necessary to advance into supervisory, inspector, instructor or other advanced positions.

*Requires completion of an MOT program at least 6,000 clock hours long plus a minimum of 432 hours of RSI, plus 200 hours (~~20~~ 15 credits) of general education requirements.

For program costs and fees refer to the catalog TUITION AND FEES PAGE.
