

FESHE Class Schedule Winter 2024

APPFS101, Fire Protection Strategy
Class #22535/22538, 5 credits, Online
Tuition \$303.45, Fee \$41.00
Instructor: Adam Cabeza

January 2 – March 13, 2024
Online Course

The course examines strategic and tactical decisions guiding students through the process of problem identification and solution response.

Required Textbook: Strategic & Tactical Considerations on the Fireground, ISBN# 978-0-13-444264-8

APPFS102, Fire Protection Systems
Course #22543/22545, 5 credits, Online
Tuition \$303.45, Fee \$41.00
Instructor: Napier Jason

January 2 – March 13, 2024
Online Course

This course familiarizes fire service and other interested personnel with the types, arrangements, and operating principles of systems to address fire detection and alarm systems, smoke management systems, water supply, fire pumps, automatic sprinkler systems, standpipe and hose systems, special extinguishing systems, and portable fire extinguishers.

Required Textbook: Fire Protection Systems, ISBN# 978-1-28-418013-8

APPFS103, Fire Protection Hydraulics
Course #22563/22564, 5 credits, Online
Tuition \$303.45, Fee \$41.00
Instructor: Kurlie Jeff

January 2 – March 13, 2024
Online Course

This course provides a foundation of theoretical knowledge to understand the principles of the use of water in fire protection and the application of hydraulic principles to analyze and to solve water supply problems.

Required Textbook: Fire Service Hydraulics and Water Supply, ISBN# 978-0-87939-708-1

APPFS104, Building Construction
Course #22566/22569, 5 credits, Online
Tuition \$303.45, Fee \$41.00
Instructor: Wiwel Brian

January 2 – March 13, 2024
Online Course

This course emphasizes the impact that an understanding of the principles of building construction has on firefighting strategy.

Required Textbook: Building Construction Related to the Fire Service, ISBN# 978-0-87939-594-0

APPFS105, Fire Protection Codes/Inspections
Course #22570/22572, 5 credits, Online
Tuition \$303.45, Fee \$41.00
Instructor: Napier Jon

January 2 – March 13, 2024
Online Course

This course prepares students about the principles and techniques of fire prevention and life-safety inspection and code compliance for the fire inspector role.

Required Textbook: Principles of Fire Prevention, ISBN # 978-1-28-4180237
