Drops for Non-Payment

Tuition and fees must be paid, or a payment plan set up by the published tuition due date each quarter. If you miss the deadline, your registration may be dropped, but you will have the opportunity to re-register. Our team is here to help you stay enrolled.

If you are using financial aid, scholarships, third-party funding, or Veteran Benefits, please ensure all required steps and documentation are completed before the tuition due date so your classes can be held while payment is processed.
