Student Program Representative responsibilities are:

- The Student Representatives serve as legislators representing the student body in their instructional program area
- Attend ASG General Assembly meetings on your campus
- The Student Program Representatives disseminate ASG and Campus Life information in their instructional program areas, including the Student eNews, information from the ASG General Assembly meetings and Campus Life flyers.
- Student Representatives have membership, including the right to vote in ASG general elections, and all other rights and privileges granted to those students who are recognized as representatives for their respective instructional program areas.
- Student Program Representatives may be removed from their position for not fulfilling their responsibilities and/or for conduct unbecoming of a representative. Any ASG Executive, the ASG Advisor and/or their designee, can initiate removal.

This form must be signed by student's current program faculty member
