

V1 Dependent
2020-2021 Verification Worksheet

Your application for financial aid was selected for review by the U.S. Department of Education in a process called verification. We will compare information from your FAFSA with both student and parent(s) 2018 Federal tax return transcripts and this verification worksheet. In accordance with federal law, Bates Technical College must receive this information from you before disbursing federal aid. If there are differences between your FAFSA application and these documents, we will electronically correct your FAFSA.

What You Must Do:

- 1. Complete this worksheet in full. Do not leave blanks. The student and at least one custodial parent must sign this form.
2. If you and/or your parents did not use Data Retrieval, please attach the 2018 Federal Tax Return Transcripts for the data not received or attach a signed copy of your tax return. You can phone the I.R.S. for a free copy of your tax return transcript at 800-908-9946, or go to their website at www.irs.gov to request them. Note: The best way to verify income for tax filers is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at www.studentaid.gov.
3. Submit the completed worksheet with ALL required documents to our office for processing.

~Failure to submit all documents requested will result in the delay or cancellation of any potential financial aid~
