

2021-2022 V1 Independent Verification Worksheet

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. The law says that before awarding Federal Student Aid, Bates must confirm the information you reported on your FAFSA. To verify that you provided correct information, Bates will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Bates may ask for additional information. To prevent your aid from being delayed, complete and sign this worksheet, attach any required documents, and submit the form and other required documents as soon as possible. Completed documents can either be uploaded to your financial aid student portal <https://www.batestech.edu/financial-aid-student-portal/>, emailed to financialaid@batestech.edu, or mailed to our office. Incomplete or incorrect forms will not be processed.
