

2022-2023 V1 Independent Verification Worksheet

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. The law says that before awarding Federal Student Aid, Bates must confirm the information you reported on your FAFSA. To verify that you provided correct information, Bates will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Bates may ask for additional information. To prevent your aid from being delayed, complete and sign this worksheet, attach any required documents, and submit the form and other required documents as soon as possible. Completed documents can either be uploaded through your ctcLink Student Homepage, emailed to financialaid@batestech.edu, submitted in person, or mailed to our office. Incomplete or incorrect forms will not be processed.
