

Extension Request

1st Extension: _____

2nd Extension: _____

Student Name: _____ Program: _____

Social Security Number: _____ SID _____

A review of your records indicates one of the following:

_____ You have exceeded published quarterly length approved for financial aid in your program.

_____ You have exceeded the number of published credits approved for financial aid in your program.

Because of the item checked above, you will need to apply for an Extension in order to receive financial aid for the following quarter. An extension for federal financial aid cannot be approved beyond 150% of the published program length and state financial aid cannot be approved beyond 125% of published program length.

To be completed by Student:

Part I.

If you do not need the extension for your next quarter, please check the box below, sign and date form, and return it to our office.

_____ Not applicable. I will not be attending the next quarter and do not need financial aid.

If you will need an extension, please fill out Part II.

Part II.

Please tell us how this extension will enable you to graduate from your program?
